FREQUENTLY ASKED QUESTIONS

What is Confianza?

Do you wish there were a safe, effective way to cope with all the stress life throws at you? The answer is Confianza, an herbal-based supplement designed to enhance your ability to cope with all forms of stress: physical, emotional, or environmental. The special blend of herbs increases your energy levels while reducing stress and fatigue.

How does Confianza work?

Confianza's proprietary blend of herbs contains active adaptogens. Adaptogens are natural nutrients that work through the adrenal glands to help your body combat and increase your resistance to stress. These ingredients in Confianza can help restore balance within your body and allow you to better cope with the stresses in your life.

Can I give Confianza to my children?

Confianza is designed for adult use and is not recommended for children. Always consult your pediatrician before giving any supplements to children.

Can taking Confianza replace or interfere with the medications I am currently taking?

If you have a medical condition, health concern, or are taking prescription medications, we strongly recommend that you consult with your physician before taking Confianza.

Can I take Confianza if I am pregnant or nursing?

We suggest that you consult your physician prior to using any of our products if you are pregnant or nursing.
