## DIRECTIONS

1. Cleanse face
2. Remove Facial from packaging and unfold
3. Lean head back and position the Facial (lotion side to skin) over your face, pat it down as you go so that it is in contact all over
4. Leave on for 45-60 minutes
5. Once removed, gently massage in the remaining lotion
6. Discard the Facial after use

# FACIAL™ DEEP HYDRATION MASK

## FREQUENTLY ASKED QUESTIONS

### What is Facial?

Facial is a cream-infused cloth wrap designed to tighten, tone, and firm the skin for the appearance of a lifted, more youthful face in just 45 minutes. It also continuously hydrates for fresher, more luminous skin and a younger looking you! You'll experience best results with a clean face, so be sure to wash with Cleanser before applying.

### How long should I leave Facial on?

Just 45 minutes! That's all the time Facial needs to have your skin feeling softer and smoother and looking years younger! For best results, use Facial two times per week.

### Does it contain the same ingredients used in the Ultimate Body Applicator™?

No, Facial does not contain the same ingredients as the Ultimate Body Applicator. It is specifically designed for the face with its own set of soothing botanicals, including aloe, lavender, and green tea leaf extract.

### Can it be used at the same time I use the Ultimate Body Applicator?

Yes, since the formulas are different, you can use Facial at the very same time you are using the Ultimate Body Applicator for complete body revitalization!

### Will Facial help acne?

No, it is not specifically formulated to treat acne.

### Can you use it while pregnant or nursing?

Yes, this is a product that can be safely used by pregnant or nursing moms. However, if you have a concern, please consult with your physician.

### How should I store my Facials?

We recommend that you store your box of Facials horizontally in a cool, dry place.
