FREQUENTLY ASKED QUESTIONS

What is Lip & Eye and what is it designed to do?

Lip & Eye is a moisturizing cream gel designed specifically for the delicate lip and eye area. This cream uses beautifying botanicals to lift and rejuvenate the areas around the lip and eye, improving the tone and texture of skin while visibly reducing the appearance of fine lines and wrinkles.

What are the benefits of using Lip & Eye?

Lip & Eye uses moisturizing botanicals, like aloe and jojoba, to deeply hydrate and improve the look of your skin. Say goodbye to laugh lines and hello to rejuvenated, younger looking skin!

Can it reduce puffiness or bags under my eyes?

Lip & Eye provides a tensor effect. What does that mean? It means that Lip & Eye smooths the skin immediately and visibly, lifting and restoring it to its youthful radiance. This can help to minimize fine lines and tighten and firm the area under the eye to help minimize the baggy appearance.
