Apply every morning over cleansed skin with a gentle circular massage. Can be used alone or under your sunscreen, cream, or make up.

PREVENTAGE™ DAY CREAM GEL

FREQUENTLY ASKED QUESTIONS

What is PreventAge?

Fight back against the signs of aging with PreventAge, a moisturizing cream gel that is rich in botanical extracts and vitamins to help minimize the appearance of fine lines and wrinkles caused by sun exposure and environmental pollutants.

What are the benefits of PreventAge?

PreventAge hydrates and nourishes the skin to help minimize the appearance of aging. It uses soothing botanical extracts - like aloe, green tea, and chamomile - to help minimize the appearance of fine lines and wrinkles caused by sun exposure and environmental pollutants. Plus, it leaves skin feeling silky smooth.

How should I use PreventAge?

For a complete skin-renewing regimen, apply PreventAge as your day moisturizer after washing your face with Cleanser and misting with Toner. In the evenings, apply RepairAge™ as your night moisturizer after cleansing and toning your face.

What type of skin is PreventAge formulated for?

PreventAge is good for all skin types, dry or oily, and for both men and women. It is especially designed for usage in and around the facial area.
